NEW DECORATIVE DAHLIA, "JANE SELBY"

Winner of Mrs. Samuel H. Taft Trophy Cup
and
Dahlia Society of California Gold Medal 1917

Bessie Boston Dahlia Farm

SAN MATEO, CALIFORNIA

BESSIE BOSTON DAHLIA FARM

San Mateo, Cal.

Briefly, we want to state, we are the winners of four gold medals and three trophy cups in the San Francisco Dahlia Shows, besides many other firsts. We won more prizes this year than any other grower.

Last year because of the unprecedented frosts, there were more demands than the supply, but this year we have a bigger stock, but advise our customers to order early. European stock is proving more and more unsatisfactory since the war, so the growers naturally turn to California which is the leader now in Dahlias.

GUARANTEE—We guarantee that all dahlia tubers sent out to be true to name.

TERMS—Cash with order.

FORWARDING—We begin to ship our tubers from February 1st unless otherwise ordered.

ORDER EARLY—Early orders are solicited to avoid disappointment in case variety should be sold out.

PRICES—The following prices are for field grown divided tubers. Four of a kind at 10 rate, 25 at 50 rate, f. o. b. San Mateo, Cal. Less than four of a kind at 25% discount on the retail price. Trade discount of 25% is given for all the dahlias listed in our 1918 catalogue issued in January.

For description see 1918 catalogue.
